## President's Letter

**Good Evening Ladies and Gentlemen,**

**On behalf of the members of the Empire of the Royal, Sovereign and Imperial Court of the Single Star, Inc. of Houston, it is my distinct pleasure to welcome you to Coronation XXX ~ “The Cartoon Network Drops in on the Wicked Diamond and Pearl City of Oz”. We hope your time here is memorable and that you leave wanting to come back.**

**We want to thank Empress Nicole the Great, Queen Mother of the Americas, and the delegates who have traveled to Houston to attend Her Majesty's Seventh Session of Parliament. The passion and dedication that each of you have for the International Court System is remarkable. You each play an important part in shaping the future of this great organization and continuing the legacy of our beloved and most benevolent founder, Empress Jose I, the Widow Norton. While we continue to mourn his passing, we must remember how blessed we are for having had him in our lives and for giving us this amazing opportunity to play “court” and help our brothers and sisters in need.**

**Tonight ERSICSS celebrates a major milestone in our history...THIRTY years of continuous service to the Houston community. We may do it one dollar at a time, but those dollars have done so much to help so many over the years and we will not stop. As long as the need is there, and rest assured that it is, we will be there. Although his health does not allow him to be here with us tonight, know how proud our founder, Empress I and II Laura Lee Love, is of each and every one of us.**

**We also celebrate the stepping down of Emperor XXIX Craig W. Rae and Empress XXIX Mona Lott-Gill. We congratulate you for your hard work and dedication to our causes and welcome you to the College of Monarchs. While you might have thought otherwise at times, know that I am proud of you both.**

**I would be remiss if I didn't thank some very important people, the members of ERSICSS. Lords and Ladies, Dukes and Duchesses, Princes and Princesses, Emperors and Empresses, our dedicated board members and supporters alike...no matter how big or small a part you play, it never goes unnoticed and is always appreciated. It isn't always easy and we deal with both success and disappointments along the way; but, we always manage to get through the rough spots and persevere because we truly are a “family”.**

**Now, sit back and enjoy! We have some pomp and circumstance to attend to and then songs to perform, hearts to warm and magic to do for you, our VERY special guests.**

**Her Most Royal and Imperial Majesty  
Empress Crystal Rae Lee Love  
Empress XI and Empress Regent to Reign XXVIII for Life  
President of the Board of Directors  
Heir Apparent Emeritus to Empress Nicole the Great**

*His Most Royal, Sovereign and Imperial Majesty,  
Emperor XXIX Craig W. Rae*

Welcome Honored Guests, Family, Friends, Dignitaries, and Fellow Courtiers to ERSICSS's Coronation XXX. I want to thank each of you for being here this evening. Seeing each one of you means the world to me.

As I write this letter, I am amazed at all the great friends new and old that I have touched my life in this organization. I am truly blessed to call each of you my second family. With that being said, if I don't mention someone, please don't be upset as it is not intentional. Everyone holds a special place in my heart that I have met over the years.

When I started this organization, I was so shy that I would not perform or even have my picture taken. I just helped behind the scenes. I would have never dreamed that I would have even ran for Emperor, let alone become one. Members and past monarchs within ERSICSS saw something in me that I did not see. They pushed me and help me to be here tonight with each of you. Thank you for believing in me.

I first want to thank the people who helped made the reign very successful. That goes out to the entire general membership, both the female line and male line, who made my year fantastic. You are all the heart and soul in my eyes of the organization. Without each of you, we could not raise the money we do today for our much needed community. Never lose sight of why we do what we do.

Next I would like to say thank you to our College of Monarchs. Thank you for the advice along the journey of being Emperor. You were always there when I needed you. Seeing the support from all of ERSICSS's past Monarchs was wonderful, and I know if I need help with something in the future, I will know that you will be there.

**To the Board of Directors**, thank you for always keeping the business side of ERSICSS on track. No matter the issues we encountered along the way, we handled them professionally and we overcame any issues we had. Along with that you also gave advice, sometimes it was taken other times it was but it always had consideration.

**To Corus Christi**, thank you so much for a wonderful year. Every time I come to Corpus I have a great time with everyone there. Emperor Hemi and Empress Sade, I am glad to have reigned with you. You both are always sweet to me. To Emperor John and Empress Karamel you two are truly amazing. Anything I have ever needed you have been here for me. We have had a lot of crazy times with you two and would not change it for the world. And Emperor John I love your new nickname of "Giggles" now. Imperial Crown Princess Royale, Brandi Marie Powers, Beaux wants to know when you are coming back. He misses a particular odd smell...LOL. (You have to ask Brandi on this.)

**To San Antonio**...You are an amazing court with lots of great talent. Emperor Daniel and Empress The Lovely Michelle, thank you for your support this year. I am so glad that you were a part of this reign. Emperor Daryl and Empress Dutchess you two were always making me laugh. I thank you for that. Diana Del Rio thank you all your help you have given me throughout the year, whether it is an ear to listen or advice.

**To Fort Worth**...What can I say? Emperor Kim and Empress Sofanda you two step up before I did...And you two are still there...LOL...Angela and Michael Winchester you two are truly wonderful people. Kathy Scott, my favorite flying monkey...OMG.....Wanna pet this? Is all I have to say. Ron and Sapphire, you to have helped not just the Ft. Worth Court but also Waco's court. You two are truly amazing people and I am glad I have gotten to know you both.

**To Austin**...Empress Anastasia Fabre Davis...I had a blast cutting up with you at coronations this year. Not only you a fabulous entertainer, you're a great person and I am glad to call you family. Chad and Kari, I am happy that you both reigned with me also. And Chad, you will always still be Bianca to me...I'm just saying. To Dee Dee Davis, I always love seeing you, especially when you perform as Dolly.

**To Waco**...Emperor Just Ree and Empress Just Sam. Thank you for a fun year. Just Ree, have you opened any more bathroom doors on buses during Out of Town Shows? Just Sam, I am so happy I got to see Ree propose to you at your last step down. Alan Baby Riffin....When are you going to run a fourth time, we are all waiting on that to happen. LOL...Thank you for letting the three of us stay with you all the times. It was always fun sitting out on the patio and cutting up. Sissy and Vic...You are two of the sweetest people I know. Your hospitality is wonderful and I am glad to have met you both and call you family.

**To Dallas**. Emperor Louis Kenmar and Empress Selena Whorez...I am looking forward to seeing what you two accomplish this next year and hope to get to know you both better this year. Emperor Larry and Empress Messy...You two are crazy, but in a good way. Always had a great time with you both. And you two are really sweet and mean a lot to me. Lipps and Marshall...you two crack me up whenever I am around you both. You two are always funny the way you pick on each other in fun. Emperor Carroll and Leandra of Colorado Springs...I am so grateful I met you both. We have had great times in Texas and at your coronation. You both mean the world to me.

Gregg Brockman...Is it Whataburger time yet? LOL. I still laugh from our Whataburger run in Oklahoma and they knew who you were already and where you were from.

Empress Cougar Anne, you are an amazing woman. I enjoy how we can sit and chat like we have known each other for years. It is great how monarchs bond with other reigning monarchs.

To my Empress, Empress Mona Lott-Gill. Wow!! Can you believe it has been a full year already? I know I certainly cannot. I am truly blessed that I got to reign with you. You were always so kind. We were always able to talk problems out and never argued about them. I hope that when I get to be the age you are now, I have half the energy you have. That still amazes me. We had a lot of things come up this year, but we both stuck together and pushed ahead and now look where we are tonight. I love you and you are a great friend. Thank you for a great year.

Last but not least...To my partner Chris Loftis, aka Natasha Rae Nikole Rose. What can I say, I know it's been a tough year on us but it's finally on the downhill side. Thank you for all the help you given me all year long. It is appreciated a lot, more than you will ever know. Even if you were not out, I knew you were there in spirit. Thank you for being there for me. I love you with all my heart.

I hope everyone has a fabulous weekend

Here we are at the end of another Reign. This year started off slow but when one reaches the half way mark, bam, it is a fast, fast ride and it is all down hill. The closer it gets the more anxious I get to be sure that Coronation XXX will go off as planned and all will be well with the world. Upon stepping up no matter what one has been or warned about, until you experience it for yourself you then find out what a wild trip it is. Even with the several bumps in the road this year it was a wonderful journey. With the backing of a great female and male line of members and a wonderful understanding board of directors I salute you all as you all were the glue that kept me holding myself together during this reign. I also must give a shout to the Houston GLBT community, friends and family for having enough confidence to vote me into such an honorable position. A special hug to my family who accepted my decision to run for Empress as they never had a family member doing drag before and they have had as much fun with this as I have.

To my Emperor Craig W. Rae you have put up with me for all this time and I just hope that you will have fond and good memories as I will of our Reign together. You were always there for me during those bumps in the road and always had a cool head for all the trials, tribulation and drama we had to deal with this year. Thank you so much, you are the greatest.

To the United Courts of Texas you are all a gracious wild group of party hardy crazy fools. I love you all There were a lot of memorable events and some embarrassing ones. As in Corpus Christi getting my heel stuck in a crack of the stage and could not get it out and had to be rescued by my Emperor to yank it out. Then San Antonio while leaving a bar during the bar run stepped off a step and my heel collapsed and for the rest of the night just hopping along the rest of the evening.. For Waco having to run through the parking lot of the host hotel in the pouring down rain in a gown hiked over my knees with no wig, what a sight. So I was really careful with Austin and Dallas and came out of those Coronations with no calamities.

I was very fortunate to have been able to travel to several out of state courts. The first one being: Des Moines- Just like the Texas Courts another wild bunch. The city of Des Moen really impressed me. It was wonderful to meet more of the Court members from the Midwest. .

Toronto - Wow talk about leaving Texas but going to another Country. Toronto is a beautiful city one which I truly want to redo. I walked and walked and saw a lot. Again another great group of people that make one feel right at home.

Colorado Spring. - These folks were great, again they make one feel so comfortable during your visit. It was disappointing there was not more time to enjoy your beautiful city .

I one disappointment that I will have, because of our Court duties, work and family I could not visit more out of state realms'. I have heard so many great stories of great happenings that you all do. Maybe in my dowager years.

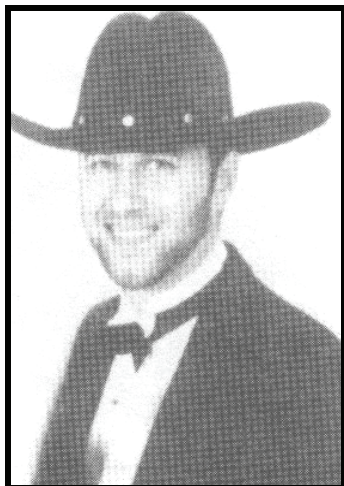

To the Great city of Houston and our GLBT Community you are all such generous people and have been so supportive of Reign XXIX. Donating your talents, time and money. Lo those many years ago that when myself and my family choose Houston to move to did we ever realize how it would all turn out and what a ride it has been. I have been so blessed.

With all these great events, adventures and travels during my reign I want to thank you one and all for such wonderful hospitality and friendship and be thankful for being a small cog in the great and wonderful world of the International Court System.

To all you super folks that I have encounter and met this year, thank you one and all for being you and keep up the good work that you all do to make this a better world.

Empress XXIX Mona Lott Gill

Greetings to the Empire of the Royal Sovereign and Imperial Court of the Single Star, Inc.

I congratulate the accomplishments of 30 years of social service in the form of Noble Deeds for the Houston region. I also thank you for being the Host for the 7th Session of Parliament.

Your history and members bring the service of many generations to our International Court System and continues our work almost 50 years. It is a testament to the vision of our beloved late Founder, Empress 1 José, who created this wonderful family across three nations. Jose's vision and legacy lives in the Noble Deeds of you all as individuals and your Court.

I congratulate Emperor XXIX Craig W. Rae & Empress XXIX Mona Lott-Gill on the completion of their reign. Your dedication to your community is amazing and has helped to create a positive image throughout the United States, Canada and Mexico. Your organization has been devoted to raising money for the community while building community leaders and having fun. I commend your many efforts. It is my pleasure to once again visit your city and for the 3rd year in a row, be able to join your proud Mayor, The Honorable Annise Parker and also commend Houston on being the host city for the 2014 Creating Change Conference.

The ICC invites all of you to join us in Portland Oregon, October 23 2015 as we celebrate the 50th Anniversary of the founding of our International Court System.....from a Royal seed planted by the late Jose Sarria in San Francisco to now over 68 chapters in cities within Canada, United States and Mexico. This gala promises to be a spectacular salute to our 3 great nations and all of your courts.

In closing, when I think of all the work our courts do I am reminded of the bible verses.. *"For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me."* Matthew 25 v35,36.....Truly, you are all doing God's work.

God Bless Canada!  
 God Bless Mexico!  
 God Bless the United States!
