# President's Welcome

(firstly, I wish to thank whomever took this photo. I have loved it for years and never had a place to use it until now)

Hello and welcome to Coronation 36, "Northern Lights: a Winter Odyssey!"

On behalf of their majesties, Emperor and Empress 35, JJ Fulton and Morgan Fairview and the entire membership of ERSICSS, we humbly thank you for joining us tonight.

This has been a fabulous year of fundraising and it all starts with our monarch's, Emperor 35 JJ. Fulton and Empress 35 Morgan Fairview as they chose two fabulous beneficiaries this year: Omega House and HATCH Rapid Rehousing.

Their majesties have been pinching every penny for a great grand total, and I am very proud of you for doing it your way. JJ., for a one-legged man, you can run and hustle; and Morgan, thank you for always bringing the style and class to an event. Guess what, I have changed my phone number and y'all can stop calling and relax.

Lets talk about the people that make their majesties look so good.....the membership. We all know that success is a team effort. I wish to express my sincere gratitude to every person that has worked to make a difference. It doesn't matter how grand, it is about what you can give and every person should be proud of themselves.

To the Board of Directors: Needless to say, none of this would happen without you. Every member of this board has unique talents and a lot of ideas. The passion is over the top and I would be a hypocrite if I said I didn't like the difference of opinions. It is this passion and flow of ideas that will lead us into the future and I wish to thank you for not holding back and always playing devil advocate.

Some of my biggest Kudos has to go to our great community. It is amazing when other clubs and business step up to help and I wish to thank The Firedancers, Space City Sisters and the Montrose Forge for your continuous support of ERSICSS. I also wish to thank the individuals that tips at our events, "one dollar at a time" in hopes of making a difference.

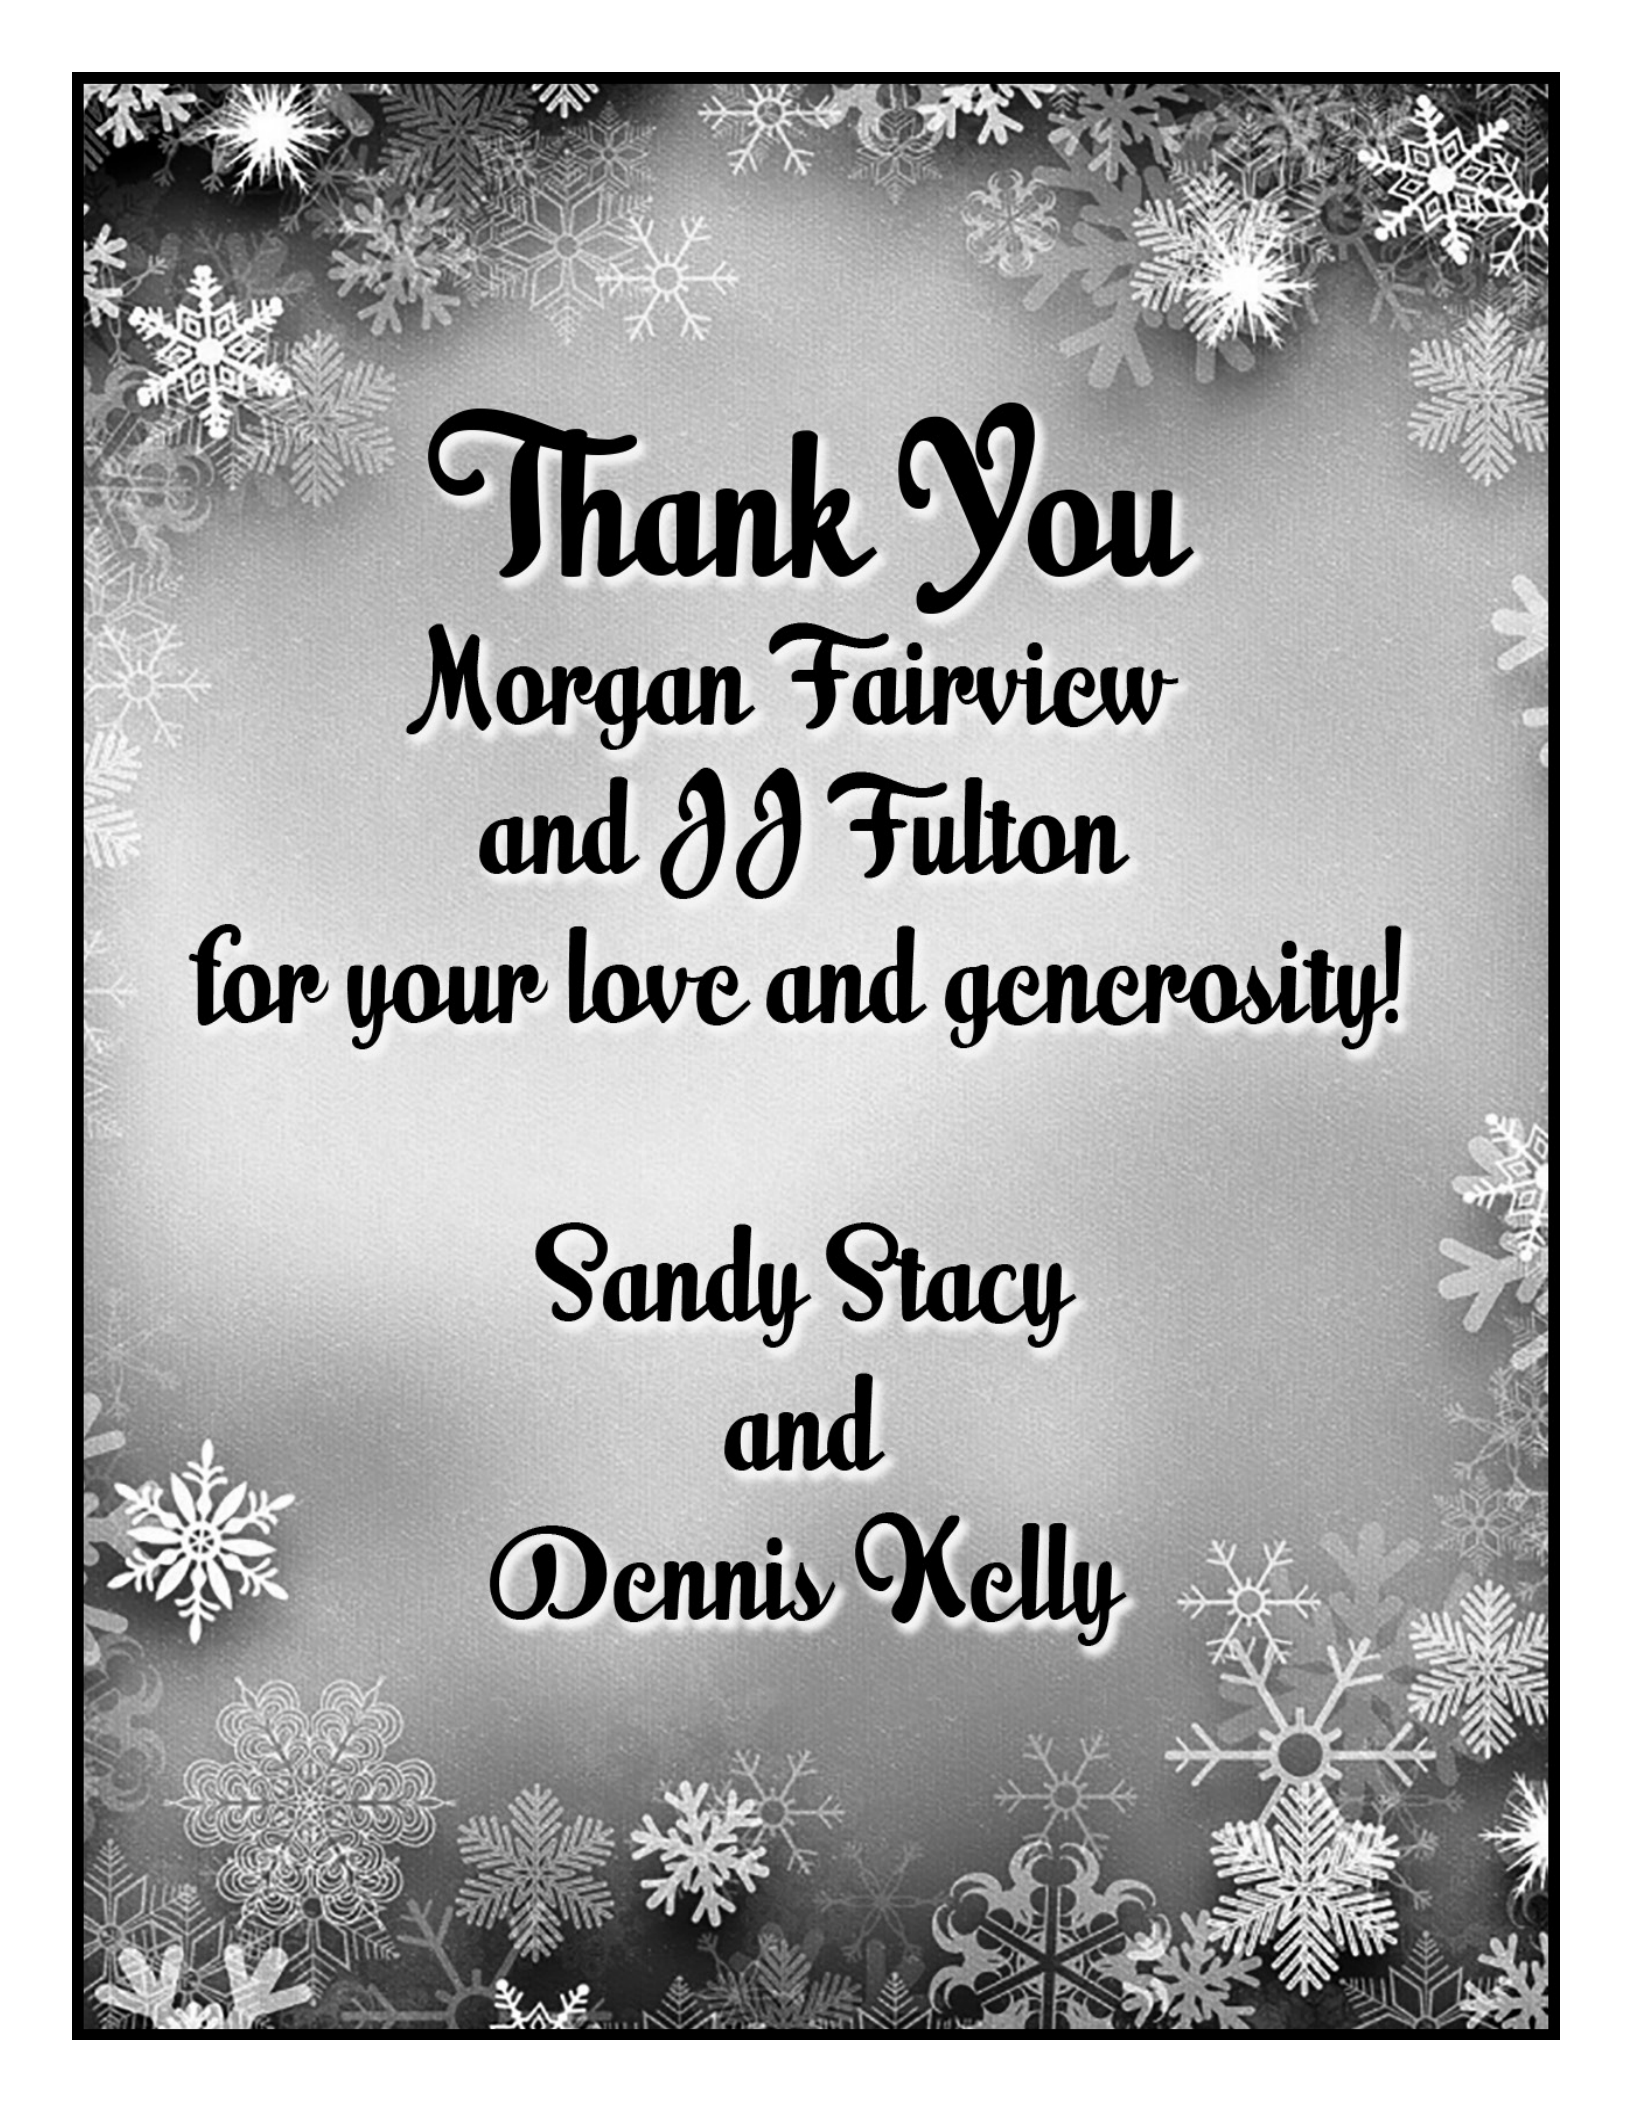

To all of those visiting us from other realms, thank you so much for taking the time to visit us and we hope we have been accommodating. If there are any suggestions for the future, please send an email to [president@ersicss.org](mailto:president@ersicss.org).

Loves!

Falcon

# FROM THE EMPEROR

Welcome to Houston, Texas: Home of the Houston Rockets, Houston Astros and Johnson Space Center. I would like to say Thank You to everyone that was able to be here tonight, both in person and those in spirit, for Coronation XXXVI "Northern Lights: A Winter Odyssey". It's hard to believe that just one year ago I took on the most humbling experience of my life. I have been both HUMBLLED and HONORED to make many new friendships and renew old friendships. I will cherish and hold a place in my heart for all of you for the rest of my life.

**Waco - Jon and Shanda:** We did not reign long together but you both welcomed me as the newest Emperor in Texas at the time and made me feel special for my first state walk as Emperor XXXV of Houston. Thank You so much! **Phoenix Grayskull**, my brother from another mother, and **Delightful Ticks:** You both have been special to me this year. Thank You both for all the trouble you kept me from getting into and what trouble we did get into. **Ilexa and Delta:** You both will always be my younger sisters. Thank You both for your friendships.

**Tulsa - Ray:** It was my honor to say that you were my first out of state walk with my Empress and you made the weekend so very special for us both. **Jeff and Keri Jo:** It was such a pleasure to be at your step-up.

**Corpus Christi - Leona Lane, Omar & Jose:** I have known you all for years and you have always treated me like family. You all will always have a special place in my heart. But I have to say you all know how to party. I look forward to the "Over the Hill Gang" coming to Corpus this coming year. **Justonya:** If you need anything this year, please let me know as you're going to do great things for your community.

**Denver - Terry & Lala, Karl & R.C.:** Denver was my first out of state walk without my Empress and the bus tour was a blast, I was able to spend 4/20 weekend in Denver higher than a kite and not lose my sobriety. I could not have done it without you all.

**Fort Worth - Robert & Melody, Dalton & Italy:** What can I say about Fort Worth other than I love each and every one of you. Fort Worth was one of the first state walks that I ever did back in my early years with the court, and just as back then, you always do everything with class.

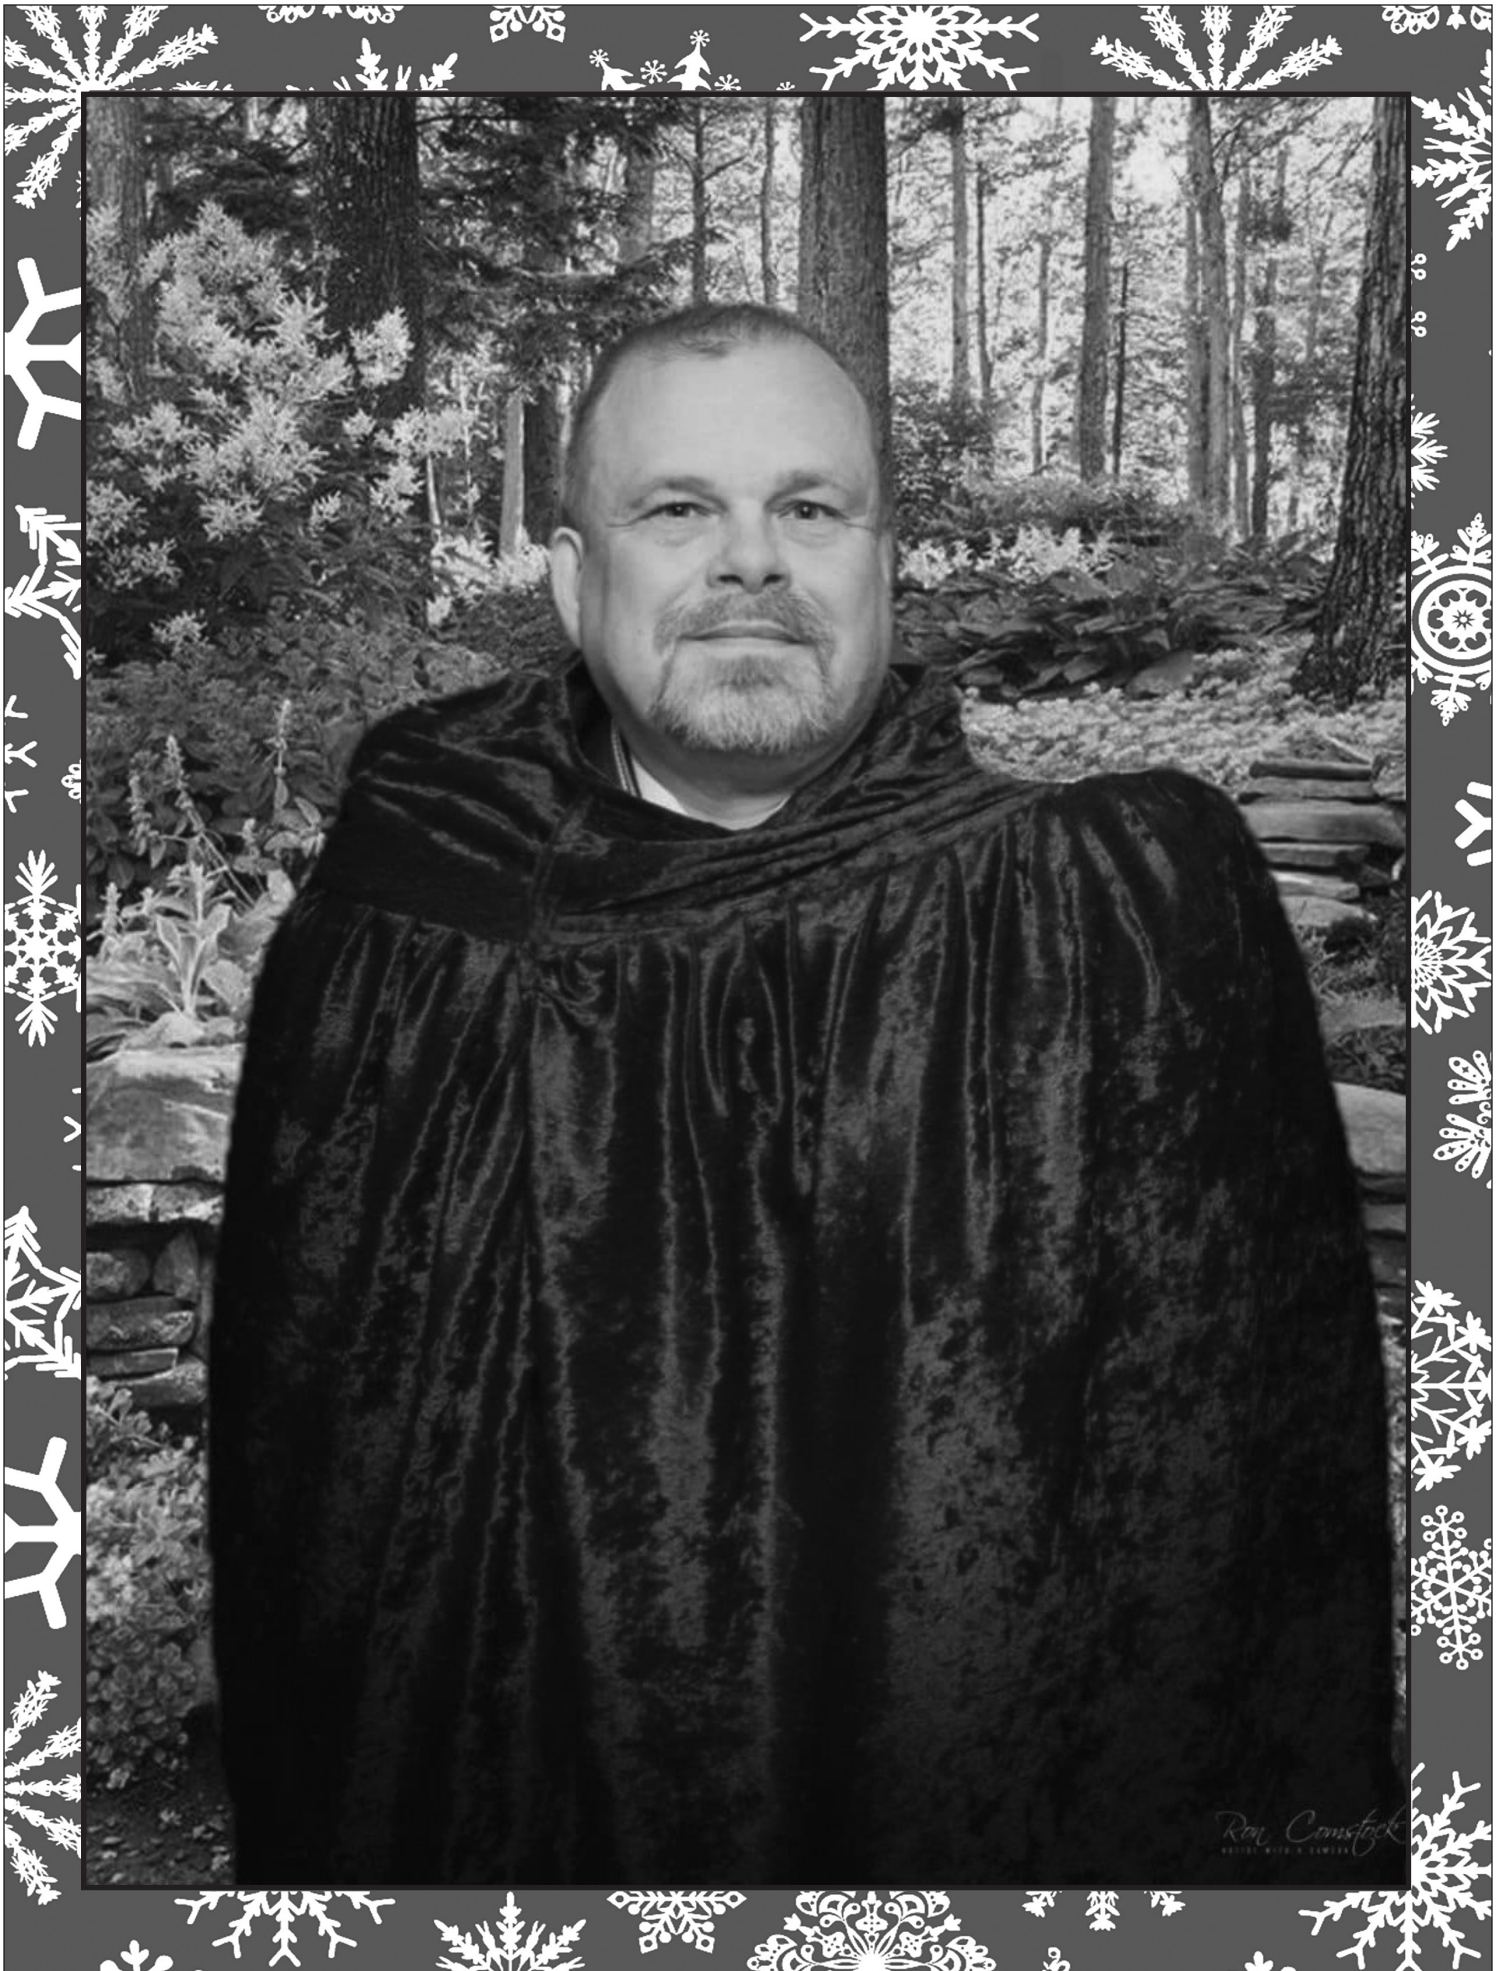

**San Antonio - Roel & Keana, Richard & Pamela:** I love the time that we have been able to spend together this year. Roel & Keana: You are the most beautiful reigning couple that I was able to meet in the Texas Court System this past year. Beautiful in both heart and body. Richard & Pamela: I have had so much fun reigning with you this past year and while your year has just recently started, I am looking for many more fun times between now and your stepping-down.

**Austin - Hexa & Timothy, Ima Hoot, Anita:** Austin is such a party town! Hexa & Timothy: You both are such party animals. Timothy: Thank You so much so many times over for keeping me from falling over my own foot. Anita: You are a powerhouse and you will do great things this year. If you need anything, please let me know. Ima: You have shown me so much love and support this past year. You founded the "Over the Hill Gang" and made Houston the first stop in your fundraising efforts. It turned into the one of the largest, if not THE largest fundraiser, that we had this past year. I am hoping and praying that now that stepdown is so near that we will have more time to spend together. You have shown me that even a crabby old man like me can have someone that cares about them. I will always love you.

**Des Moines - Joe-Joe & Ida:** You both made me feel so special and I had a blast in the Midwest. It was a hard weekend for me, as my sister was going to come and see me for the first time in over 40 years and it did not happen. You both helped me have a great weekend anyway. I love you both.

**Dallas - Larry & Penny:** This was my last state walk and you both made it just as special as my first. Penny: You and the gang (should I say Phoenix Fulton) got me into so much trouble in Des Moines.

**Ray:** You were my out of realm King Father. Thank You for taking all of those late night phone calls, giving me a shoulder to cry on when I was ready to give-up, helping with many of the different events that I wanted to do this year, showing me what an Emperor does even after they step-down, and most of all, what it means to be a member of the House of Sugarbaker.

**Chicago - Diamond, Chewy & Kate:** I was able to come home to Chicago this past year and I had a blast. You all showed me a great time, but you all also reminded me why I moved to Texas. You all are a bunch of party animals. **Diamond:** Pack your bags and move to Texas! We all love you so much here. **Earl & Spar-Kelly:** You both are going to do great things this year and I am looking forward to coming home again for your step-down.

**Houston Court Family** - Thanks for all your hard work this year. Thanks for helping us to raise much needed funds for the community. I may have made a number of mistakes this past year, but you were there for me. Together, with your help, we had a great reign. **Alexis Nicole Whitney, Alicia Allure, Amanda Ann Houston, Anastacia Kelly Fontaine-Summers, Angela Mercy, Asteria Eos, Blair Fullerton, boy Cubby Christopher Prado, boy Howdy Hayes, Chris Garrett, Chris "Sushi" Valk, Chuck Milositz, Craig Sanford, Seanyboy, Michael Gomes, Michael Love-Love, Tara Dion and the Dion Family, Regina Dane, Susan Hayes, Shelby St.John, JP Gill, Ivan Cupcake, Gogo Bear, Jackie Evelyn Thorne, Southern Comfort, MyKey Whitney:** Remember, we could not have done anything without YOU. YOU are the court.

**Morgan Fairview, My Empress** - THANK YOU for all your hard work and dedication to the Houston Community this past year. You have done a remarkable job, so don't let anyone tell you any different. When I started running for the position of Emperor XXXV, I did not know if I was going to make it and did not know if I would be reigning with you, let alone stepping down with you. You have helped to make this a fun year as we served the Houston Community together.

**College of Monarchs** - Each and every one of you have shown me so much over the years. You have given me so much guidance and input from your wisdom. I have learned so much from watching each and every one of you. This year, I asked myself many times what would the College do? I hope that I made you all proud this past year, as I could not have done it without you.

**Board of Directors - Rusty, Falcon, Royce, Scott, Shelby, Eddie, Michael and Martinique:** You have repeatedly shown me support this past year. You have shown me that friendship runs deep and have picked me up when I was down. We may have not seen eye to eye, but you allowed me to learn from my mistakes and helped me grow as a person and an Emperor.

**Eddie Flores - Eydie Mae,** when I moved to the Houston Community in 1987, I did not have a friend in the world, and I was a hot mess. You and a few others made me feel welcome and showed me what friendship and family was truly about when many would not even give me the time of day. I know that it has not been easy over the years, but you were always there for me. You have seen me in both my bad times and my good times. THANK YOU for believing in me. I could not have done this reign if you were not there believing in me. I owe you so much, as I believe that you helped in many ways to help save my life. You will always have a special place in my life.

In closing, I am offering my most sincere apologies to anyone that I did not mention by name. It was not done intentionally.

I hope that I did Houston Proud! I look to continuing my service to the Houston Community.

# FROM THE EMPRESS

## Good evening to all and welcome to Houston!

Well a year has come and gone, and it happened so quickly. This whirlwind year has been both challenging and rewarding and my life has been changed forever. I have been so very blessed to be surrounded by amazing people that have helped me through the hard times and brightened the path of this amazing journey. I have also had the honor to meet and become friends with people I now call friends for life.

JJ and I started this journey with a “conquer the world” vision. We wanted to do so much to bring people together as we built bridges and mended fences and I am proud and pleased for what we have done; I only wish we could have done more.

I have so many to thank. First our Line of Succession, you all were there for me when I was too sick to be out. You held it together and I am so thankful to each and every one of you. To the past monarchs who jumped in this year and saved the day, thank you for the three words that humbled me so much and let me know you had my back – “We got it.” Those three words will always stay in my heart. To the board of directors, you have been there for me; your kindness and your understanding has gotten me through some emotional times, and I thank you for giving me the strength to carry on.

I have so many individuals to thank and I don't know where to start, so let me name first my Queen Mother and King Father, **Empress 18 Shelby St. John and Emperor 26 Falcon Fuhr-Kenyon**. You both have been there for me this year and the first to step up and grab me when I was about to fall; I will be forever in your debt. **Empress 11 Crystal Ray Lee Love**, the voice of reason. You have always been there to say “no, you can't do that, but you can do this.” **Empress 3 Eydie Mae Sugarbaker**, the adult in the room. Your advice has been golden. **Emperor 27 Scott Kenyon**, always smooth, always clear, always ready to help and I thank you. **Emperors 23 Chris Beck, 25 JP Gill, 28 Chris Valk, 30 Royce Wood, 31 Susan Hayes, 32 Dominic Cusano, 33 Christopher Prado, 34 Michael Clayton** and **Empresses 9 Regina Dane, 21 Jackie Evelyn Thorne, 23 Shy Anne, 24 Kimberly Anne O'Neil, 25 Marcia Mink Gill, 26 Sheri Anne Bouton, 27 Lillian Devereux, 29 Mona Lott Gill, 30 Anne Fox Dion, 31 Angela Mercy, 32 Monica Paredes, and 34 Martinique Bouvier** - I have all of you to thank. You each have shown me in your own unique way the correct way to be an Empress - what to do, what not to do and what to watch out for. There are more who have influenced my life and made me a much better person. I thank you all for the knowledge as well as the wisdom you have instilled in me.

To the Texas Courts - What a joy it's been visiting your cities and meeting so many wonderful people. The memories will live in my heart always. Waco's **Emperor and Empress 25, Phoenix and Delightful Ticks**, you both are amazing people and I am so happy you are in my life. You bring happiness everywhere you go. Fort Worth's **Emperor and Empress 40, Dalton and Italy**, you both make me smile, your light shines so bright. San Antonio's **Emperor and Empress 28, Richard and Pamela**, you both have been so kind, and I thank you from the bottom of my heart. Corpus Christi's

**Empress 32 Justonya**, we haven't known each other very long but what I see of you makes me happy, I wish you much success. Your smile tells a lot about you and it's all good. Best of luck in your reign. Austin's **Empress 26 Anita**, you are a true delight. You glow with enthusiasm and wonder, and you are indeed the face of royalty. Your great personality shines bright to everyone who meets you. Finally, Dallas' **Emperor and Empress 45 Dan and Valarie**, I wish you a happy eventful reign. Make lots of memories as you honor your community.

I couldn't travel as much as I would have liked because of my health, but I have enjoyed meeting the monarchs from other courts around the United States, Canada and Mexico.

I know I am forgetting some and there are so many I would like to thank, so many that have left their stamp on my life and in my heart. I hope you will forgive me for not mentioning your names. You must know I will always be thankful to you all.

To my **Emperor JJ Fulton**, we have made a little history and we made it through this year together. Your age, my youth... who would have thought. I am proud of what we've done. We didn't change the world, but we made a dent and we mended fences, you and I, along with our line of wonderful individuals.

And now to my husband of 21 years, **Michael** - When I started this journey, I did so with your blessings. You have never been able to travel with me because of your many work and home responsibilities, and you have worked your butt off to make sure I had what I needed to complete this year. I love you for so many reasons, you sacrificed much, and I do not take it lightly. Thank you for being there for me, kicking me in the butt when I fussed and complained and through my tantrums when I wanted to run away. You kept me grounded.

To ERSICSS and the community, thank you for your trust in me. I tried to make you proud. As you were here for me, so will I be here for you. I do now, and will always, love you all. I have no regrets; I have done my best.

## HATCH HOMELESS YOUTH RAPID REHOUSING PROGRAM

One fourth of LGBTQ youth become homeless when they come out before the age of 18. Forty percent of all homeless youth in the U.S. identify as LGBTQ. Using the Houston Youth Count, Hatch can safely estimate that there are more than 2,000 homeless LGBTQ youth each school year. There are over 200 youth currently on the waitlist for rapid rehousing.

This project is the best solution for LGBTQ homeless youth because it provides rapid rehousing and wrap around services to support the goal of self-sufficiency. Wrap around services include case management, life skills, basic needs allowances for food and hygiene items, furniture and apartment starter kits, public transportation vouchers, job training and career counseling, and more.

## OMEGA HOUSE

Omega House, a residential hospice, is a safe and loving home environment where people living with the late stages of HIV/AIDS can spend their final days with dignity and peace. For many, it is a safe haven for residents who are discharged from the hospital with nowhere to go and who can no longer be helped by the traditional medical community.

This facility offers palliative (comfort) medical care as well as psychosocial and bereavement services for the dying and their loved ones. Ongoing medical/nursing care is offered, along with emotional support and assistance with daily activities. The program offers social interaction with peers and volunteers, as well as recreational activities.
