Your Majesties, Dignitaries and Honored Guests,

Welcome to Coronation XXXVII of the Empire of the Royal, Sovereign and Imperial Court of the Single Star. It has been a long and challenging journey, and we are grateful that you have joined us this evening to celebrate Reign XXXVI.

Tonight, we congratulate Emperor XXXVI Mykey Whitney and Empress XXXVI Alexis Nicole Whitney on a job well done. You have both shown remarkable resilience, creativity and dedication to complete a challenging two year reign, and on behalf of the entire Board of Directors, I thank you. I hope tonight is all that you wish it to be.

To the line of succession, thank you for all the hard work throughout the reign. It has been such a pleasure to see fresh ideas and emerging leaders, which ensures the future of our court. Thank you as well to the Monarchs who have supported and advised the reign, you are truly appreciated. I also want to thank the individuals, businesses and organizations that have supported the reign, we are only as strong as the community we serve.

Finally, a few personal thanks... To the Board of Directors - I appreciate each of you for your contributions and for your willingness to extend your term to support the reign. Crystal, Domenic, Royce, Edyie Mae, Alexa, JJ, Morgan, Mykey and Alexis - It has been a pleasure to serve with you. Special thanks to the individuals who have assisted the Board with special projects throughout the reign and Coronation planning. Regina, Marcia, Falcon, Michael, Martinique and Geary - Your efforts are greatly appreciated.

I would be remiss to not address the hardships of the last two years. It has been a wild ride, and a learning experience. Let us raise a toast to those we have lost, and continue to be there for our friends who are struggling. To support our community, we must support each other.

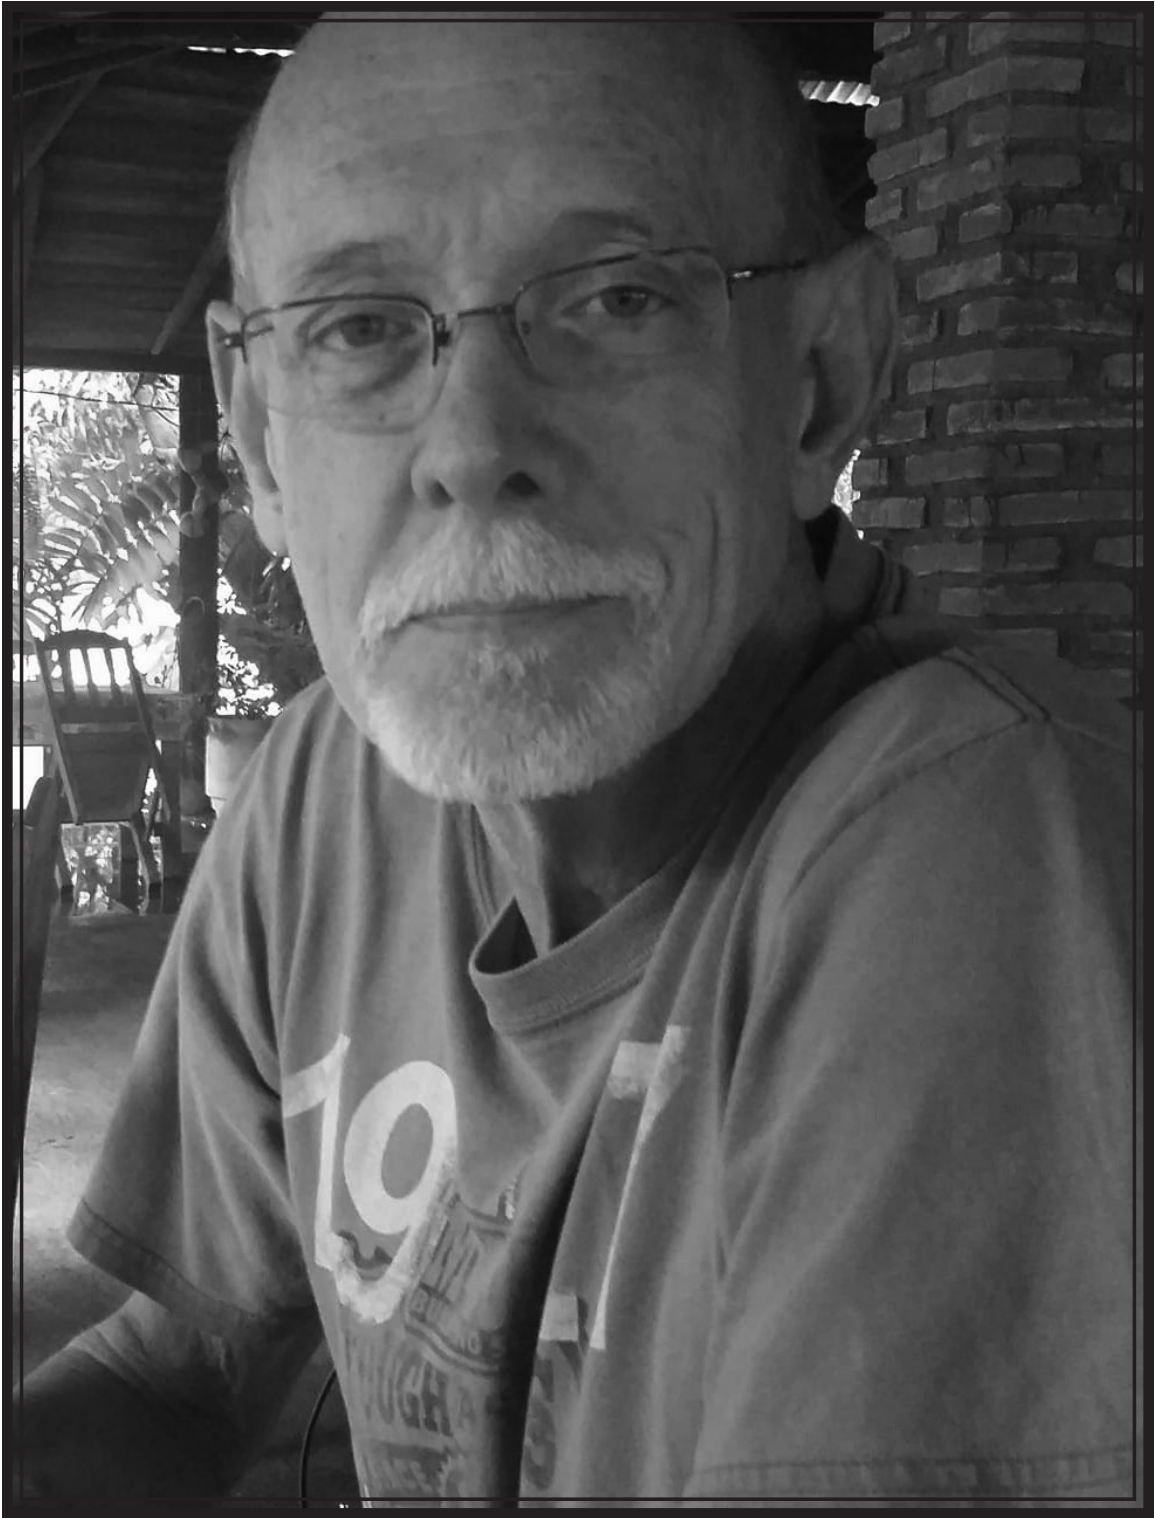

So tonight, let us celebrate gathering once again, and enjoy Coronation XXVII, Enchantment Under the Sea.

I
love
You!

From,
Alexis

Hello and welcome to Enchantment Under The Sea: Coronation XXXVII of the Empire of the Royal, Sovereign and Imperial Court of the Single Star. It has been my greatest honor to have been elected the thirty-sixth Emperor of Houston, Texas. My reign has been a tremendous journey and I'm so grateful for the opportunities I have had during my time as Emperor. As many other courts have experienced, we were also a two-year reign. I witnessed the true beauty of the human spirit and I have gained so much knowledge from my peers and from many of you here today.

I would like to first acknowledge our Board of Directors. Once everything was shutdown and life was put on pause, it was our Board who made some of the biggest decisions for our organization to continue to function. As many of you know, these were tough decisions because of the global pandemic. In those meetings, I witnessed true compassion and dedication from a strong and intelligent group of people who shared the same love for our Court and our community! Crystal Rae Lee Love (President for our 1st year) - You are a true inspiration and role model to our Court and community. The strength and wisdom you carry is a real gift for us all. You have battled so much with your health and to watch you keep fighting and keep doing your best for our organization is so inspiring and incredible. Scott Kenyon (Vice President/President for our 2nd year) - Thank you for taking on the task of getting us through the second half of our Reign. Your love for the Court, your Court family and your friends really helped me see beyond the crown. I look up to you and how you are so regal and so kind. Thank you for all the messages and advice. Royce Wood (our tremendous Treasurer) - Thank you for being at every show. You did a stellar job helping us with all of the online donations. Domenic Cusano (King Father and Secretary) - You are a blessing and I admire your spirit and sharp skills. You are sickening and everyone knows it! Eydie Mae Sugarbaker (Empress III and candidate coordinator) - Thank you for coming back and supporting our group. It is really wonderful to have the guidance of your experience and wisdom. You are a true example of "once a Monarch, always a Monarch." JJ Sugarbaker and Morgan Fairview (our Dowager Monarchs) - Your help and support during the past two years has been so stunning. The both of you really amaze me. Morgan - You always checked up on everyone and sent love through a dark time in our history. JJ - Your tenacity to explore new ways to raise money was so encouraging. Alexa Bouvier (our newest Board member) - You stepped up and admirably represented the voice of the membership. I see great things to come from you. I'm watching you grow as an entertainer and board member; please continue to strive for excellence.

When looking back at our double reign, I can't help but recognize our line members. I am humbled by their motivation to consistently continue our efforts to help our community. They embodied the definition of the kindness of humanity and the fighting spirit we all have in us. Each one in their own unique way helped carry this reign through these tough times and I got to learn from them more than I thought I ever could. They all possess talents and skills that shined through during the COVID lockdown. Through video technology and exploring social media advantages, they created opportunities to promote our organization. You guys rocked it out every step of the way. We are extremely and eternally grateful to you and your hard work. From going virtual to helping with the baskets for SPRY and the dog and cat food drive for Pet Patrol, from the arts and crafts Easter baskets for the kids at Ronald McDonald House to adjusting to the state restrictions once we opened back up, all of you did your best to get back to being functional and somewhat normal. You inspired me to be better and push myself so that you could be proud of me. I hope I have done good by each of you. We went through a historic time and I hope you remember this for life because we all shared this rare experience together.

In our second year, Alexis and I had the opportunity to finally attending Coronations. I'm so glad to have been able to travel and witness what other Courts do and how they handled the pandemic. With the upmost respect, I witness the triumph of the International Court System. I completely understand the effort and time it took to keep things going, being flexible and having to adjust to the new norms and

restrictions. Cheers to everyone we met along the way! We traveled to so many places this year and I'm amazed how everyone came through successfully. Thank you to every court we visited! Your hospitality was super welcoming and I made so many new friends. Thank you Fort Worth, Oklahoma, Waco, Salt Lake City, Nebraska, Austin, Toronto, New Mexico, Chicago and Las Vegas! I'm extremely blessed to have had the pleasure of going and attending your Coronations!

Thank you to Tony's Corner Pocket where I work Tuesday through Friday for working with me to give me time off to travel. I'm so grateful to Tony and the rest of the staff for your love and support.

On top of working non-stop and traveling and doing shows, I've lost a lot of great people along the way. May they Rest In Peace... Not one day goes by that I don't think about them. My Stepfather who helped raised me and who loved my mother so much. My Uncle who always accepted me for who I am. Four of my friends were taken from this earth too early, all at young ages. I extremely miss them for they were beautiful souls and touched my life. I wish they could be here today but I know in my heart, they are with me.

Overall, this reign has been a wonderful experience for me, but part of it was very rough. In the middle of my reign, someone broke into my car and stole my crown. I never told anyone because I was already so broken from what I had been going through in life - losing friends and family, my relationship ending, finding somewhere to live, sleeping in hotels or the bathhouse or my car, having my car broken into four times. I got \$900.00 stolen from me trying to buy t-shirts for this organization. My mother going into deep depression due to drugs and alcohol. For a long time, it felt like life kept knocking me down and no one knows this until now because I hold things in...

It is people like my Empress Alexis and my Court and my community who have been there for me when I was at my lowest. They have no idea, but they saved me. Without them, who knows where I'd be. Alexis Nicole Whitney has no vision, but she saw something in me many years ago. She is my guardian angel. People have no idea how much she has helped me in return. She is so powerful and inspiring. Anything she puts her mind to, she does it and I'm so lucky to have a mother like her.

There were times I wanted to go away, give it all up, but something happened... I got a text one day asking if I had lost something valuable. Quickly I said yes and the person said what was it and I replied my crown. He then sent a picture of my crown in its box and I broke down in tears. There is good in this world and the universe or my angels in heaven brought my crown back to me. That moment brought my faith back to me, brought me back and I know in my heart, there is good in this world. I guess the moral of it all is when life knocks you down, get back up because there are people who care for you, who support you, who want you to know that you are not alone. We, as the International Court System, prove that everyday. Thank you for your support and love! Please love yourself and take time for yourself as you help other people. You are worthy and you are somebody!

Sincerely,

The Sparkling Blue Diamond Unicorn Wizard of Love and Beauty
Guardian of Faith, Family, Friends and Fun

WWW.TONYSCORNERPOCKETBAR.COM

March 15th, 2020, the day our world was put on pause. That day, the city of Houston announced a 15-day closure of bars and restaurants due to a new virus called Covid19 that was quickly spreading around the globe. I was hopeful that this would be a short bump in the road, but unfortunately, I couldn't have been more wrong. Just two short months into my Reign, everything that I worked for came to a screeching halt, when those two weeks turned into months of closures, panic, sickness, and uncertainty that ultimately led to an unprecedented 2-year reign in a world gripped by a global pandemic that nobody was prepared to endure. But through it all, we never forgot our purpose, we never gave up on our goals, and we never stopped working for the betterment of our community. There are many people I would like to take this opportunity to thank for making this Reign possible.

Thank you to my line members whose creativity, passion, and hard work kept this Reign afloat during the worst of times. Landon, Ivanna, Alexa, Tiffany, Amanda, Leilani, Geary, Kian, Ricky, Go-Go, Bob, Viola, Asteria, Angie, Tim, Aurora, Khem, Dawn, Cassandra, Naranja, and Bella - Thank you for the hard work. You never surrendered during this Reign and continued to believe in the power of giving and the mission of our Court and that will always be appreciated.

The role of a father is often times to provide guidance and stability to those around them. To my king fathers Domenic and Jose - You did exactly that for me. Thank you for supporting me during the last 2 years through thick and thin.

To Dominique, Mama Toya, and Geno - Thank you for all the love you have shown to me. From helping me out during those rough quarantine months, to helping with travels, donations, promoting and more. I knew that I could depend on you all to always be there for me.

To the monarchs I reigned with in the UCT - Brotherhood and sisterhood can be such a powerful gift that we are given. I thank each one of you for treating me like family and welcoming me with open arms anytime we were together. You all have become like an extended family to me and I will forever treasure the memories we made together. Anita, Tasha, Evan, Jesse, Paula, Dalton, Italy, Valerie, Dan, Anjel, Jonn, Donna, John, Shanda, Pio, Delta, Phoenix, Delightful, Pamela, Richard, Justonya, Joanna and Andrew - you have all made the last 2 years so special in so many ways.

To the other monarchs throughout the ICS - The same goes for you! We were fortunate enough, even during a pandemic, to travel to many of your cities and will cherish all the memories made there. There are too many brothers and sisters to list here, and I don't want to forget anyone, so I won't list you out individually. Please charge it to my brain, and not my heart, because the love of each and every one of you will always be here with me.

To the Board of Directors and the College of Monarchs of ERSICSS - Thank you for sticking with us and trusting us to lead our membership through these unprecedented times in our history. You challenged me in ways that I can't express and always pushed me to be a better and stronger version of myself.

To the Houston Community - You entrusted us to take on this leadership role and we thank you for your undying support. I know it was not an easy 2 years and we still aren't out of this yet, but just know that it was my love for you and my commitment to you that kept me pushing forward. I hope that we proved to you that the Court will always be here for you no matter the circumstances. We were here for you during the worst of times, and we will be here long into the future.

To my Tony's Corner Pocket family - When we started this journey, we announced that you would be our home bar and you welcomed us with open arms and thank you just doesn't seem like enough. I felt like you guys were on this journey alongside me, and I couldn't imagine

it any other way. Tony, An'Marie, Regina, Ashleey, Amanda, Andy, Brad, Jordan, McDonald, Irwin, Sweet Tea, Gilbert, Clay, Justin, Cameron, JT, Tim, Brandon, Ronnie, Domenic, and all the dancers, you all impacted my life in amazing ways over the last two years.

In every Reign, there are those people who end up being your closest advisors. These are the people in your inner circle that you trust the most to mentor and guide you on your journey. Sometimes, they are there with a phone call. Sometimes, they are there with a hug and a kind word. Sometimes, they advise on administrative duties and day to day operations. These are the people who added value to my life and my Reign over the past two years and I can't thank them enough. Angela Mercy, Diamond Yaki, Shanda LaVera, Pamela Herrera, Brandi Powers, Kerry Maus, Melody Lane, Dalton Murphy, Cierra LeCher, Jio, Ralph Farinella, Robert Buchner, and Angie & Tim Tate; you were all beyond amazing.

I want to send out a special message to those people out there who may be like me. Maybe you are a trans woman hiding in the crowd and just trying not to be noticed. Maybe you are a visually impaired person who is scared to go new places or try new things for fear of failure and ridicule. I've been where you are. I never thought I could be successful the way I have been or loved unconditionally by so many. Don't give up on your goals and dreams. You can do anything you put your mind to. Don't let the fear of the unknown keep you from reaching your full and brightest potential!

To those who were always quick to judge and criticize me on the way I chose to run this Reign, my hope for you is that you find a way to lift up future Reigns and support them in reaching their goals rather than undermining them and chipping away at the camaraderie of the court family. We will always be more successful when we all work together.

Lastly, my journey would not have been complete without my BFF, my son, my support, my good Judy, my Michelle Obama, my butterfly and my Emperor, Mykey. Without you, there would have been no me. I'm sure there were times I may have tested your patience, or tested your commitment, or pushed you past your breaking point. But through it all, you stuck by my side and together we accomplished more than either of us could have done alone. There is not a single person on this earth that I would have rather taken this journey with. You are a one-of-a-kind, beautiful, caring, and loving creature and I thank you for being a part of my life!

My journey does not end here. You have my commitment to continue to support our court and our Houston community for years to come. And now, I will work on spreading my message of love, inclusivity, and unbridled opportunity to all parts of the ICS. I thank you for being here tonight to celebrate with us and I hope to hear you soon!
